

The GEO Group Australia Pty Ltd.

**The GEO
Group Australia
is the country's
leading provider
of outsourced
correctional
services.**

**Better
Corrections > Safer
Communities**

GEO is Australia's only dedicated outsourced correctional services provider. At five correctional facilities across Australia we are trusted with delivering the security, care and well-being of around one-in-ten of Australia's prisoners.

Applying the **GEO Continuum of Care** we contribute to safer Australian communities. We do this by providing safe and secure custody and by reducing the likelihood of reoffending by our prisoners when they are released.

**ARTHUR GORRIE
CORRECTIONAL
CENTRE**

Location: Brisbane,
Queensland
Function: Remand, high
security
Capacity: 1,050+
Operated by GEO: Since 1992

**Queensland's largest
and busiest correctional
facility, more than 14,000
prisoner movements
occur at Arthur Gorrie
every year**

Arthur Gorrie is Queensland's largest correctional centre and its main remand facility, holding unconvicted prisoners whilst their court matters are progressed. As a consequence prisoners frequently stay at Arthur Gorrie for only a matter of weeks, if not days.

This mobility provides a constant challenge in terms of identifying prisoner risks and needs as for many Arthur Gorrie will be their first experience of custody.

As a result Arthur Gorrie is very proactive in engaging with the prisoners in its care so that the remand period is one of safety, security and opportunity. Transition Open Days provide prisoners with one-stop-shop access to potential employers and organisations able to offer assistance after release - an imaginative application of the **GEO Continuum of Care** to an ever-changing remand prisoner population.

Arthur Gorrie supports visits from prisoners' families, friends and legal representatives. Arthur Gorrie also operates a video-court. Arthur Gorrie works closely with courts and probation, parole, and bail authorities to help ensure only those that need to be remanded in custody.

The prisoners at Arthur Gorrie undertake a range of projects supporting community organisations including schools, wildlife sanctuaries and councils.
